To Whom It May Concern:

I am writing this letter to highly recommend the services of Gumbo Daddy's. We worked with them in November 2009 for our movie "Day of the Woman." They came to our rescue in the last minute when our original caterer never showed. Gumbo Daddy's was wonderful to work with, very reasonably priced, and the crew was very happy with their food.

Jeff Norbury and Pat Miles were such a pleasure to work with and so professional. Everyday Gumbo Daddy's showed up to set on time and ready to serve with a hot meal that the crew was looking forward to.

If you hire Gumbo Daddy's, you can count on excellent services, good food, and good prices. I hope you will consider them for the job.

Sincerely,

Taeko Masuyama

Production Coordinator
